

Your students need this film
... "The Story of Menstruation"

A brilliant, 10-minute, 16mm. sound colour film by Walt Disney Productions, highly praised by educators, health authorities, parent and church groups. Takes the mystery out of a normal physical routine—and substitutes a sane, realistic attitude. Free (except for return express or postage) on short term loan.

A COMPLETE PROGRAM FOR MENSTRUAL EDUCATION:

16mm. Colour Sound Film . . . "The Story of Menstruation"

Booklets "Very Personally Yours" (for girls 12 and over), "You're A Young Lady Now" (for girls 9 to 12), "Are You in the Know" (for all girls, on the social graces)—a copy for each girl.

Teaching Guide and Menstrual Chart . . . Designed for supplementary classroom instruction—can be adapted to any teaching condition.

Most school systems take advantage of this complete program of menstrual education every year. You'll find the booklets, film, guide and chart well integrated to give your students a sound knowledge of this important subject. The entire program or any part of it is available to you without charge . . . with the compliments of Kotex*. Just fill out the coupon.
